

**Did you know that the creator of
THE TWILIGHT ZONE also:**

- *wrote the original screenplay for PLANET OF THE APES?*
- *taught at Ithaca in the late sixties and early seventies?*
- *was a leader in the fight against sponsor control and censorship in American television?*
- *had more than 100 of his scripts produced on network T-V before TWZ?*

Published Serling scholar Gordon C. Webb will lead an examination of the social, moral, political and ethical issues faced by one of television's most influential and best-known writers. Extensive screenings of material from the Rod Serling Archive at Ithaca will be included, as well as material from the instructor's personal collection... including an interview with Carol Serling -- recorded especially for this course.
